## **PHYSICAL DEMANDS**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed in both an office settings and in the field; outdoor work is required in the inspection of various properties throughout the City for animal control/codes. Hand-eye coordination is necessary to operate a motor vehicle, computers, and various pieces of office equipment, perceive and discriminate colors or shades of colors, sounds, odor, depth, texture, and visual cues or signals. Some tasks require the ability to communicate orally.

While performing the duties of this job, the employee is frequently required to stand; walk; use hands to finger, handle, feel or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to sit; climb or balance; stoop, kneel, crouch or walk; talk or hear.

The employee must frequently lift and/or move objects 20 to 50 pounds and occasionally lift and/or move more than 165 pounds in certain situations. Must be able to exert up to 20 pounds of force occasionally and/or a negligible amount of force frequently or constantly to lift, carry and push, pull or otherwise move objects.

Must be able to remain on feet for periods of time, withstand uncomfortable or dangerous physical conditions at fire scenes, and perform manual tasks. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

## **WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals

with disabilities to perform the essential functions.

While performing the duties of this job, the employee occasionally works in outside weather conditions. Performance of essential functions may require exposure to adverse environmental conditions, such as dirt, dust, pollen, odors, wetness, humidity, rain, fumes, smoke, unsafe structures, heights, machinery, traffic hazards, bright/dim lights, animal/wildlife attacks, or rude/irate customers.

The noise level in the work environment is usually quiet in the office, and moderate to loud in the field.

### **SELECTION GUIDELINES**

Formal application, rating of education and experience; oral interviews and reference check; drug screening and medical examination; other job related tests may be required.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.
